A registered non-profit charitable organisation in Hong Kong established in 1990

“ONE FOR ONE, ADOPT A SCHOOL”

Since 1990 Chatteris has been working to empower Hong Kong students, particularly those from less privileged backgrounds, through quality English language education. We do this by placing an international team of enthusiastic recent graduates in local schools as **Chatteris Native-speaking English Tutors (CNETs)**. Our tutors use their own ideas, skills, and cultural backgrounds to create lessons and activities which motivate students to use English in practical, rewarding ways.

WHY DO LESS PRIVILEGED STUDENTS NEED YOUR SUPPORT?

In Hong Kong, confident and proficient English speakers are unlocking opportunities in both work and education. Students from less privileged backgrounds are often excluded from these benefits as they are consistently outperformed in English by their better-resourced peers. For this reason, we created “**One for One, Adopt a School**” to bring together schools, donors, and NGOs to empower these students to access better, brighter futures.

WHAT IS THE “ONE FOR ONE, ADOPT A SCHOOL” MODEL?

A SCHOOL WITH A HIGH INTAKE OF LESS PRIVILEGED STUDENTS FUNDS AN ENGLISH TUTOR

Our tutors work closely with local staff to deliver engaging lessons and class activities which complement the school curriculum.

A GENEROUS DONOR FUNDS A SECOND ENGLISH TUTOR

Beyond the classroom, whether a tutor teaches South African gumboot dancing in assembly, gives guitar lessons, or plays basketball with students after school, English becomes an essential communicative tool which students are motivated to use.

ENGLISH BECOMES A PART OF STUDENTS' DAILY LIVES

ONE FOR ONE IS GREATER THAN TWO: HOW DONORS DIRECTLY BENEFIT THEIR ADOPTED SCHOOLS

When a donor adopts a school they have numerous opportunities to connect directly with their students and improve their English proficiency. These collaborations are flexible and rewarding to both parties, drawing upon the skills and interests of donors to help students foster cultural awareness, business understanding, and experience of professional environments. From visits, to mentorships, to office programmes, “One for One, Adopt a School” creates shared value as donors contribute directly to the development of their adopted students.

CHATTERIS BEYOND SCHOOLS

Chatteris creates additional activities for students from less privileged backgrounds to develop cultural awareness, leadership, English-speaking proficiency, and confidence. Each year we lead hikes, visits to Royal Geographical Society Hong Kong lectures, and summer camps. Donors are welcome to join these activities to interact with their students in an informal environment and to see the programme in action.
